Why Celestyal

We create unmissable experiences, at sea and on shore.

We're a quality mid-sized ship cruise company offering the warm hospitality of our Greek heritage, blended with the perfect mix of itineraries. From 3- and 4-night getaways, to longer 7- to 14-night adventures, we're confident we'll be the highlight of your travels.

The Celestyal difference is clear from the moment you're warmly welcomed onboard. Our hospitality is unrivaled. With approximately one crew member for every 2.5 guests, you'll be part of our family during your vacation, greeted by name by your favorite waiter and host each day.

Our crew is made up of 32 nationalities, 40% of which speak 2-4 languages, in addition to their native languages.

We know your time is precious.

We offer port-intensive cruises, so you can see as much of the region as possible during your trip. We stay longer in port, and make every effort to help you avoid the crowds, whether that means adapting our schedule or offering priority passes for attractions.

Our award-winning shore excursions are the perfect way to see the best parts of a region, and dive deeper into the local culture. Don't just take our word for it - over 85% of our guests tell us our shore excursions are excellent. And when you return from a thrilling day exploring, you can relax in the comfort of your calming, comfortable cabin or suite.

One fare. Endless possibilities.

Your Celestyal One fare means that complimentary WiFi, delicious dining, selected drinks with meals, port fees and gratuities are all included, so all you have to think about is enjoying yourself.

When it comes to extra drinks from the bar and specialty dining, you can either add the charges to your account as you go, or prepay using CelestyalPay and get an added bonus from us. It makes it easy to spend on any extra tasty treats with the beep of your room card, as and when it suits you.

Our passion is helping you create lasting memories, and we're confident that you're going to love what we do. In fact, 95% of our guests tell us their cruise met and exceeded their expectations, and 86% would return again.

What makes us different...

Our ‘tread like a local’ approach

Our immersive itineraries are destination-focused and designed for the culturally curious.

Because our home ports are in dreamy regions that we spend our time exploring, we pride ourselves on unique, award-winning shore excursions that tread beyond the tourist path – experiences that only those with a deep understanding of the local landscape can offer.

Dreamy itineraries

We design our cruises with you in mind. Our specialty is creating an irresistible mix of iconic and hidden-gem destinations – and wherever we sail, our curated itineraries are full of unmissable moments.

Onboard cultural experiences

Onboard, our activities and cultural experiences are crafted by the expertise of our crew, intended to connect with local culture and bring you ever closer to the shores we sail alongside.

However you vacation, we invite you to set the pace – with a three or four-night cruise that offers the experience at a faster tempo, or a 7- to 14-night voyage that’s more relaxed.

Stellar value

We believe that an incredible vacation shouldn’t have to cost the earth.

Instead, we’re passionate about high value – whether that’s value for time, money or experience.

Celestyal Premium Casual®

Our Premium Casual cruises bring together the best of all worlds, with award-winning service and premium inclusions like WiFi, gratuities and port fees, for out-of-this-world value.

That’s why, alongside our jam-packed itineraries and bucket-list experiences, we offer next-level-value cruise packages (with more inclusions than the rest) that feature the best of our recently refurbished fleet – from award-winning bars to heavenly spas.

Book some time for yourself and sail into serenity with top to toe pampering. Relax and rejuvenate as you drift from massage to manicure, and from facials to full body treatments like wraps and hot stone therapies. The calm you'll experience in our Sozo spa is the perfect balance to busy days of exciting excursions and fun-filled activities.
Top it off with a visit to Fig & Honey for a rejuvenating smoothie featuring premium superfoods like blue spirulina.

Of course, wellbeing isn't only about relaxation. If you're more of a mover, it's easy to keep your routines going and stay in motion on the ocean. Join in with as much or as little as you like. And if you'd rather simply read a book or listen to a podcast with an ice-cold drink on the deck, that's fine with us too!

Itinerary

03: Destinations: Western Mediterranean

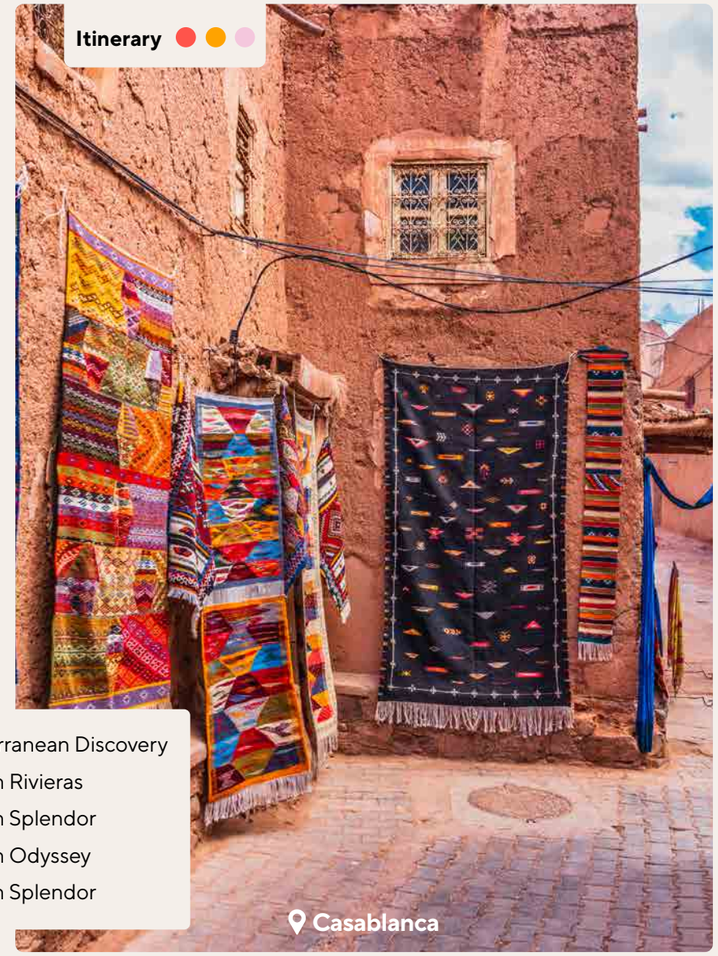

There's a reason seasoned travellers choose the Mediterranean in winter.

The landmarks are the same: the medinas, the cathedrals, the Atlantic waterfronts. But the experience of them is entirely different.

Quieter streets, warmer welcomes and a pace of life that invites you to stay longer. This is the western Mediterranean at its most genuine, and these itineraries were built to make the most of it.

Dazzling destinations

Few seas have inspired as many stories as the western Mediterranean. And travelling its shores, it's easy to understand why.

Barcelona amazes with architecture that stops you mid-stride. Lisbon pulls you in with its historical beauty and steep cobbled lanes. Valencia buzzes with life, day and night. And then there's Cádiz, Europe's oldest city, where sea-weathered walls have been watching the Atlantic for nearly three thousand years. Across the water in Palma de Mallorca, golden churches catch the winter light in a way that makes even seasoned travellers pause.

The region stretches further than you might expect. The medinas of Tangier and Casablanca carry the scent and sound of continents colliding, shaped by trade routes that predate most European cities. Messina sits at the very tip of Sicily, where the island's history feels close enough to touch. Gibraltar needs no introduction, standing as an unmistakable landmark at the meeting of two seas. And in Sête - a little French port easily overlooked on the map - you'll find the kind of quiet charm that makes you want to stay just a little longer.

For the perfect week-long escape, our 7-night cruises sail either from Barcelona to Lisbon or Lisbon to Barcelona. Each has its own distinct character and makes its own discoveries along the way. For the ultimate winter escape, the 14-night round-trip itinerary brings the complete experience together in one sweep.

For those who want to experience everything in one voyage, the 22-night Grand Mediterranean Discovery connects it all. Sixteen destinations, two overnight stays, and a crossing that takes in an entire sea. It's the most complete way to see everything these itineraries have to offer.

Whether your visit is short or extended, the western Mediterranean rewards those who take the time to look around. Expect warm welcomes, extraordinary food and the kind of unhurried travel that lingers with you long after you return home. This is the Med at its most authentic - and in winter, it's all the more special for it.

Sail to destinations that other cruise ships can't reach on the largest star in our fleet

The largest star in our fleet, the Celestyal Journey is just shy of 220m - a handy mid-size - which means it can visit destinations that larger ships can't.

Onboard, you'll find everything you need and more. 630 cabins where every comfort has been considered. Seven restaurants serving a delicious mix of Greek-inspired and international dishes. And nine welcoming bars and lounges, for relaxation and refreshment.

When you're not exploring one of our dazzling destinations, there's a fun-filled entertainment program and a whole deck dedicated to your wellbeing, where you'll find the Sozo Spa and our well-equipped gym.

Explore the Greek islands and the Mediterranean, taking in iconic destinations such as Mykonos, Santorini, Dubrovnik and Kotor. With over 90 excursions on offer, there's no better way to immerse yourself in local life.

A journey of wellness

Welcome to the Sozo Experience on Celestyal Journey. It's a whole deck dedicated to health and wellbeing: a haven of luxury and indulgence where you can vacation like a VIP.

Settle in at the spa

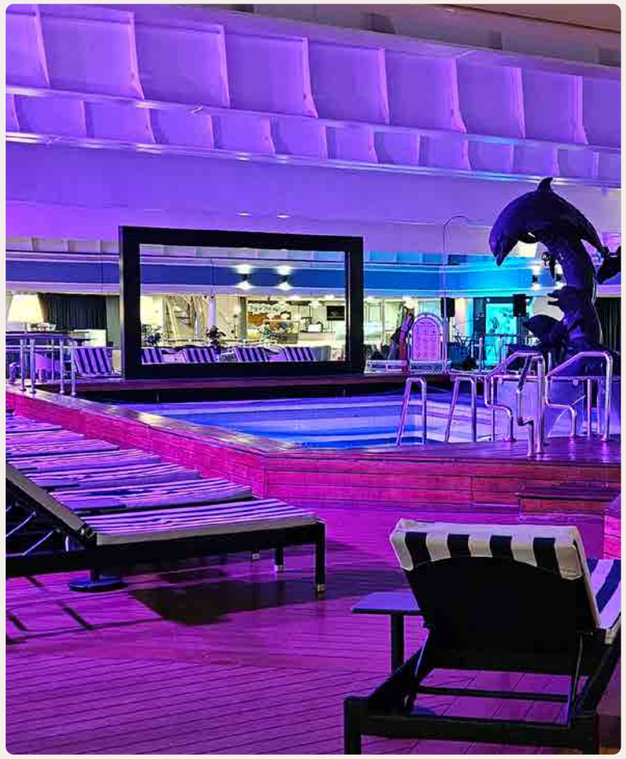

Float from massage to manicure, and facials to full body treatments, in our eight treatment rooms - including one for couples. The Vie Collection of facials are inspired by aesthetic medicine, leaving you feeling smooth and revitalized. Or indulge in the 5,000-year-old practice of Ayurveda with treatments based in natural healing.

Get glowing

Exclusive to Celestyal Journey, the Glow Bar is our onboard salon, where our hair and beauty experts will dial up your natural radiance to leave you feeling like a star and ready to shine. Pay them a visit if you want to get spruced up for a night out, fancy a new look or just need some pampering.

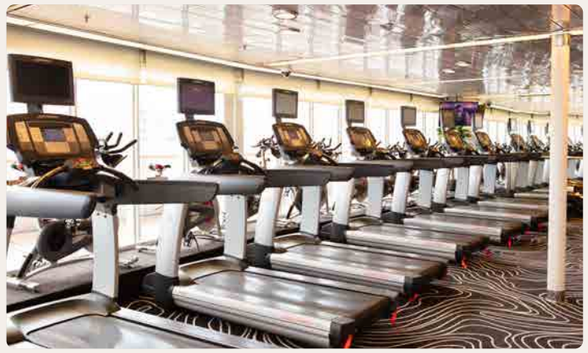

Drift into dreaminess

Sail into serenity in the Drift Den relaxation room and thermal suites — the perfect balance to busy days on shore and on deck. Let your stresses soak away in the jacuzzi, showers, and steam baths, and sink into the warmth of our heated stone beds. They're the ideal place to prepare for a treatment, relax afterwards, or simply enjoy some quiet time.

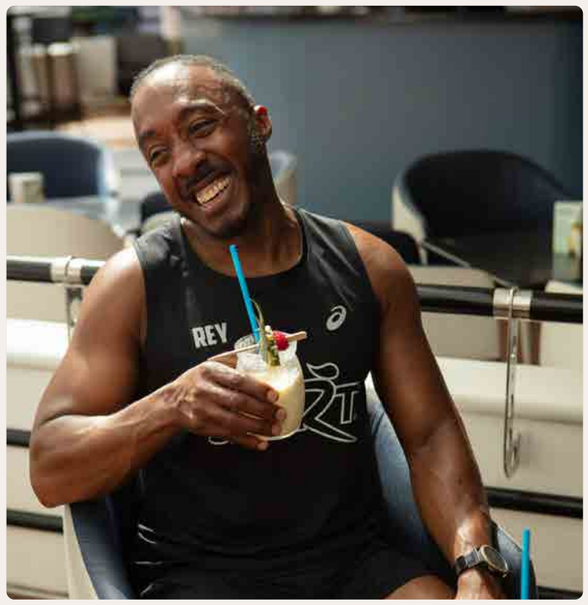

Lounge by the pool

As we sail across the glistening waters of the Aegean and beyond, take some time to soak up the rays by one of our pools. With two pools onboard Celestyal Journey plus sun decks dotted around the ship, there are plenty of opportunities to top up your Vitamin D. Just don't forget your sunscreen!

Work up a sweat

If you want to stay active on the ocean, you'll love the gym. Work up a sweat in aerobics, hit the weights, or stretch it out in yoga or pilates. If you prefer to work out in the fresh air, a visit to our outdoor jogging track will help you smash your step count as you sail.

Dive into spaces to relax, recharge or raise your heart rate

Fig & Honey

Looking for a treat that loves you back? Tempt your tastebuds with sweet treats from our juice bar and gelato stand. From indulgent milkshakes and desserts to fresh smoothies, you'll be sure to find the perfect pick-me-up.
